Founded in 2003, Community Health Network of Connecticut Foundation, Inc. (Foundation) is a public, charitable organization concerned with the health of Connecticut residents. Its mission is to advance, support and promote programs and activities that fundamentally improve the health status of the people of Connecticut. As such, the goal is to support the activities of community health centers, and other non-profit organizations that promote health care services to uninsured and medically underserved individuals, youth, children and families in Connecticut.

The Foundation is a volunteer-driven organization with an independent and non-funded board of directors who donate their time to the Foundation without compensation. The Foundation has been designated by the IRS as a 501(c) 3 entity, gifts to which are tax-exempt as charitable contributions.
