### Nearly \$50,000 raised

CHNCT Foundation is pleased to announce that the 2014 Cornell Scott Memorial Golf Classic was a resounding success! This year's tournament raised almost \$50,000. Overall, the tournament has raised more than \$310,000 for programs and activities that improve the health status of people living in Connecticut.

For the sixth year in a row, the golf classic was held at one of New England's premier courses – Lake of Isles at Foxwoods Resort Casino. More than 120 golfers participated, including 26 corporate companies.

We would like to thank GreatBlue Research, Inc. for participating as our Diamond Sponsor, and Tim Lammers, FOXCT, as our guest MC!

**SAVE THE DATE - AUGUST 17, 2015!**

We're happy to announce that we will once again be returning to Lake of Isles for next year's tournament on August 17, 2015.
